

## FiO LS Official Vendors

FiO LS official vendors provide various services that help make the conference and exhibition run smoothly.

**IMPORTANT:** Look for this FiOLS Official Vendor Seal when receiving any vendor information. Show Management cannot guarantee services from companies other than those listed below.

## Warning of potential poachers/scammers

FiO LS Show Management does not release its exhibitor contact list to anyone except the official vendors listed above. If you are contacted by any vendors, always ask them to send you details in writing, and look for the Official FiO LS Vendor Seal on any written correspondence. If you are contacted by a non-official vendor, or are unsure, please provide us with the details regarding these calls or emails. We will follow up aggressively with them. This includes outside companies offering hotel rooms, listings in show directories, lists of attendees/contacts, as well as more standard items for exhibitor booths such as A/V or internet.
